Assignment topic: Paper First

1. Discuss SN^1 and SN^2 reaction.
2. Write a note on ionic polymerization.

Assignment topic: Second First

1. Discuss the 18-Electron Rule and Nature of Bonding in Mononuclear and Dinuclear Metal Carbonyls with Suitable Examples.
2. Write a note on homogeneous catalysis, explaining its catalytic steps with a suitable example.

Note: 1. सभी छात्र / छात्रायें अपने साथ निम्नलिखित विषय पर मिड-टर्म असाइनमेंट (assignment) लिखकर लायेंगे।

2. सभी छात्र / छात्रायें अपने साथ I-card (पहचान-पत्र) fee receipt (शुल्क रसीद) अवश्य लायेंगे।
